Treasurer & Regional Representatives

Please join us in welcoming our new treasurer, Clayton Misner! Clayton joins the executive from the Saint John area and is an active member of the St. Mary's Band. We pass along our sincere thanks to outgoing treasurer Davin Sooley after his many years of service and commitment to the NBBA. Davin and Clayton have already begun the transition period. Welcome aboard Clayton!

Regional Representatives - Who are they and what do they do? Over the next couple of months, NBBA will be looking to add "boots-on-the-ground" in regions all across the province. Basic responsibilities would include: spreading the word about events, being an advocate for band in your area, sharing needs and ideas from your area, and liaison with the Executive to foster band growth in your region. If you or someone you know is interested, please reach out to us via email: nbbamusic@gmail.com

Further Updates to Our Communication Network

We are now on INSTAGRAM! You can follow us by searching for 'nbbandassoc' and we will be sure to follow you back. We continue to seek out accurate contact information for ALL instrumental ensembles within NB both community-based and education-based. Not sure if we have your local middle or high school contact info? Drop us a line and we will gladly add them! As always, people can follow or like us on Facebook by searching: **NB Band Association** or check out [our website](#).
